

## **THE WALKING DEAD**

### **SEASON 4 – EP 12 - STILL**

DARYL AND BETH HAVE BEEN SEPARATED FROM THE GROUP. THE GOVERNOR FROM WOODBERRY TAKES REVENGE AND SHOOTS THE ENTIRE PRISON DOWN. (THIS IS WHERE THE GROUP HAVE BEEN LIVING SAFELY FOR A WHILE). THIS PROVOKES ALL THE WALKERS TO TAKE OVER – THE GOVERNOR KILLS BETH'S FATHER AS THEY ALL STAND BY – DARYL BLAMES HIMSELF. DARYL AND BETH HAVE BEEN ON THE ROAD A WHILE AND BETH WANTS TO STOP AND HAVE/FIND AN ALCOHOLIC DRINK – HER FIRST DRINK (BETH IS MUCH YOUNGER THAN DARYL). THEY GET FIRED UP AND ARGUE.

**BETH**
